About Mohanlal Sukhadia University:

Mohanlal Sukhadia University (erstwhile Udaipur University) at Udaipur is a State University established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan with more than 2.25 Lakh Students. One of the prestigious Management institution of India, the university is ranked 45th by prestigious magazine Outlook as public university and NIRF MHRD in 150-200 range in country. Ever since its inception, university has been striving to maintain excellence in teaching, research and community service. Great emphasis has been laid in creating scientific temper, maintaining high ethical values and in keeping pace with emerging areas of higher learning. University has ensured overall socio-economic growth of all the sections of society by encouraging greater access and inclusive approach making it most preferred institution for higher education, learning and research.

About Udaipur:

Udaipur is located in Rajasthan in North-West India, founded by Maharana Udai Singh II in 1559. Endowed with rich cultural heritage, natural resources and beautiful landscape, Udaipur is a world renowned tourist attraction. Also known as the City of Lakes, it is famous for its rich history as well as scenic beauty. Besides lakes, Udaipur is also known for its historic forts and palaces, museums, galleries, natural locations and gardens, architectural temples, as well as traditional fairs, festivals and structures. Udaipur's monsoon and winter climates are the most appealing time to visit.

Connectivity:

The city is well connected to all modes of transportation i.e. by air, rail and road.

Air : Udaipur has regular flights to Ahmedabad, Mumbai, Delhi, Jaipur and Jodhpur etc.
Udaipur's Dabok Airport 20km from the university.

Rail : Udaipur is directly linked by rail with major cities like Jaipur, Agra, Delhi etc.

Road : Udaipur on NH8 is well connected with destinations like Jaipur, Delhi and Ahmedabad

About Indian Economic Association

IEA is a registered body of Indian Economics Professionals, established way back in 1917, with the objective of providing a forum for debate and discussion of theoretical and policy oriented issues of Economic Science. Thanks to the initiative taken by Charles Joseph Hamilton, then Minto Professor of Economics at Calcutta University, and a score of economists, mostly teachers, who met in Calcutta in December 1917 to deliberate on economics. IEA is the oldest Association in Social Sciences and perhaps second oldest in the country in any discipline, after the Indian Science Congress Association (founded in 1914). IEA organizes annual conferences, seminars, and lectures by eminent persons of the profession. It stands for promoting the interest of the discipline in terms of extension, expansion and professional competence in teaching, training, research, and consultancy. It promotes the interests of its members, but more than that the interest of the public, which is served when members sincerely devote their time and energy to raise their competence and deploy that competence when the occasion arises. IEA has so far organized 101 annual conferences in different parts of the country. Last 101st
